

JAY LAURENCE ALEGRIA

Rockstar **software engineer** with over six years of experience, specializing in **front-end development**.

📞 +639165057086 🌐 <https://jayworks.netlify.app/> ✉️ alegriajaylaurence@gmail.com

Career Goal

To master all aspects of software development, from backend to frontend, enabling me to independently design, develop, and deploy fully functional web applications from scratch, and to grow into leadership roles such as team lead or engineering manager where I can guide teams and drive technical excellence.

Work Experience

Dotdigital Philippines | Web Developer | Aug 2019- 2022

- Managed all aspects of website development, excluding web design and content writing.
- Developed and maintained WordPress and Shopify websites, ensuring optimal performance and functionality.
